1. The applicant group has read and understood the guidelines;
2. The project is believed to be consistent with the eligibility requirements;
3. All information provided is up to date, true and correct;
4. The evaluation of applications has a subjective element and that the Backcountry Trust is the final decision-making authority;
5. Information about the application (incl. applicant name, project title, and a summary of the proposal) and any approved funding may be made publicly available by the Backcountry Trust;
6. If a project proposal is approved, any grant of money is subject to a contract being entered into between the applicant and the Backcountry Trust, including the requirement to acknowledge the Backcountry Trust as a source of funding in signage, publicity and publications;
7. It is a requirement that the applicant group report back on the success of the approved project;
8. Before any work can commence, the applicant group will need to a) have a written agreement with DOC that the work can be undertaken; b) undertake work to appropriate NZ or DOC standards; and c) ensure that health and safety is a priority, and work with the department to develop a Health & Safety plan that complies with the department's SOP for volunteers, taking all practical steps to meet health and safety requirements;
9. The signatory has the authority to commit the applicant to this application.

Duly authorized agent. The signatory has the authority to commit the applicant to this application.
